The Peppers Palm Bay Experience

Located amidst the turquoise waters of the Whitsundays lies Peppers Palm Bay Retreat, an intimate and secluded tropical hideaway. With only 21 waterfront bures, cabins and bungalows, here you can enjoy the beauty of the Whitsundays in peace. From the hammock on your private balcony, you'll have uninterrupted views across the water to other distant Whitsunday isles. If you want to experience the charms of the Whitsundays without the crowds, then Peppers Palm Bay is for you.

Accommodation - 21 rooms, Check in - 2 PM, Check out - 11 AM

Guest accommodation is housed in freestanding, elegantly appointed bungalows, bures and cabins, all in an absolute beachfront location offering uninterrupted views across the majestic Whitsundays. Cabins are simply a smaller version of the Bures. Bures have a lounge area and more space for a family. Both types contain limited cooking facilities. They are designed to catch the cooling tropical breezes with a high pitched roof and ceiling fans for maximum comfort. Balcony hammocks and outdoor settings provide the perfect location for private dining experiences and watching brilliant sunsets. There are no televisions or telephones in any of the guestrooms and all rooms are non-smoking with smoking permitted only on the balcony.

Dining

The ever-changing menu offers contemporary Australian dishes and features the freshest ingredients and some of the best cuisine you'll find in the Whitsundays. A continental style breakfast basket is provided to start the day at your leisure, followed by an impressive la carte lunch menu or gourmet picnic hamper. Dinner is served on the terrace of the signature restaurant 'La Riviera' or the resort can arrange an intimate candlelit dinner on your private balcony.
